

Abama Solidaria is an ongoing initiative to effect positive change in the community of Guía de Isora, and that's why we would like to offer you the chance to participate.

We are currently supporting the municipal government in their efforts to collect money for children in need at Christmastime. 50% of the collected donations will go to purchasing basic food items for children, and the other 50% will go towards the purchase of children's toys for a variety of age ranges.

We will be performing additional actions in the coming months, and will let you know all the details via our newsletter.

If you would like to participate, you can do so by making a contribution to the bank account below. The account is controlled by a Notary Public. To receive official documentation of your donation, as well as information about how the funds were used, please send an email to Raquel Sarmiento below indicating the date of your donation and the name of the account holder.

The notary's information is below, and if you require any further clarification, please feel free to call or email us.
